Message From Your

Great Incohonee

Greetings:

With summer upon us, I am looking forward to trailing to the many Reservations, making new friends and renewing old friendships. As we participate in our Great Council Sessions, let us not forget that, if our great Order is to survive, the most important subject that we will address is membership. How proud I am of all the members of our beloved Order who are working so hard to gain new members and keep this order alive. To increase our numbers, all of us – not just a few of us – must offer our hands and hearts in friendship and open our minds in support of new ideas, new programs, and new ways to accomplish our goals. By doing these things, we will build a bridge between our history and our future.

This year, 1997, is the 150th anniversary of the Great Council of the United States; therefore, many Tribes and Councils are planning events for the Sesquicentennial Celebration. I encourage everyone to participate in these events. Great Jr. Sagamore, Brother Bruce Johnson, Chairman of the Sesquicentennial Committee is eagerly awaiting the reports on your events. Considering our fine heritage and the dedication of our membership, these programs should be resounding successes.

Also, please keep in mind our National Charity, Alzheimer's. This blight, which destroys the mind and its memories and devastates loved ones, must itself be destroyed. It is a wonderful feeling to know that the contributions from the Improved Order of Red Men and Degree of Pocahontas are making a real difference by helping science to find a cure for this disease. Remember: charity must always be considered unfinished business.

Don't forget what you can win in our Strive for Five program. If you receive a silver medallion for bringing in five new members within the time period of October 1, 1996 to October 1, 1997, you are eligible to win one of three prizes. First prize is a 150 ounces of silver; second prize is six 1847 coins, and the third prize is 150 silver dollars. These valuable rewards will be presented to three lucky people. To be eligible for these prizes, you must have received a silver medallion from the Strive for Five program within the above time frame.

Whether we speak of membership or Sesquicentennial Celebrations, our National Charity or the Strive for Five prizes, it is the total of all the individual contributions that makes our Order strong; therefore, my motto: IF IT IS TO BE IT IS UP TO ME!

Yours in Freedom, Friendship & Charity
George H. Smith, Great Incohonee

Message from your National Pocahontas

Greetings:

As National Pocahontas I wish to take this opportunity to greet each of you and hope you are enjoying good health.

I sincerely hope each of the councils in your state have appointed your visiting committee. I feel we can gain a few members by making personal calls on our stay at home, delinquent members and former members. We all like to feel we are wanted and just a little important. Explain to these members how badly we need them and be sure and make them feel welcomed.

I am happy to report that the state of Delaware is working very hard to form their own Great Council. This will be our first one in over 50 years.

The Gold Feather Program is doing fair and I am hoping we will have more new members real soon to send pins to.

The Alzheimers Charity Program is not coming along as well as I would like to see it, so please try to work a little harder on this very worthy charity.

I have just returned from the Valley Forge Freedom Foundation and it was a very enjoyable weekend. The committee is to be commended. This was also my first advisory board meeting, where many ideas were discussed. It will soon be time for the wreath ceremony at Arlington and I hope to see many of you there.

Don't forget about our bazaar table at National, we would love to have all of your beautiful homemade articles.

I attended the Great Chiefs/Keepers of Records Meeting at Waco in April and had a very interesting time.

In closing, may the Great Spirit keep you in the palm of his hand and I look forward to seeing you along our trails.

Fraternally in F., F., & C.,

MEMBERSHIP CONTEST

All members who receive a Silver Medallion from October 4, 1996, through October 1, 1997, from STRIVE FOR FIVE will have their names submitted, and at Red Men's Day at Arlington in 1997, a drawing will be held for the following prizes:

1st PRIZE: 150 OUNCES OF SILVER

2nd PRIZE: A SET OF SIX COINS, DATED 1847

3rd PRIZE: 150 SILVER DOLLARS

HOW WOULD YOU LIKE TO GO DOWN IN HISTORY

as the

DESIGNER OF THE "OFFICIAL RED MEN LOGO"?

Renaissance 2000 has stressed the need to adopt a LOGO to be registered and to be in use by the year 2000. A resolution to this effect was adopted by the 117th Great Council Session. The Board of Great Chiefs through consultation with various members have decided that the OFFICIAL LOGO will be an EAGLE. The Great Chiefs also felt that it would be very appropriate if a member of the organization itself designs the official EAGLE LOGO.

Send good artwork on an 8 X 10 page in black ink to:
NATIONAL OFFICE
PO BOX 683
WACO, TEXAS 76703-0683

If you have any questions, call the National Office at:
(254) 756-1221
Deadline for entries is OCTOBER 1, 1997.

The official logo and the designer will be recognized in the "Red Men Magazine" and at the next Great Council Session.

STRIVE FOR FIVE
Membership Award
1996 — 1998

Introduced during the term of Past Great Incohonee Emanuel S. Brown, this program was a great success and was continued through The term of Great Incohonee Bill Willingham. I too wish to continue this program. Any member of the Improved Order of Red Men or Degree of Pocahontas who signs up five new or reinstated members of our Order will receive a Silver Medallion in recognition of their support and effort.

To show my support for the aspect of increasing membership, I am providing an additional motivation by holding a Sesquicentennial membership program. All members who receive a Silver Medallion from October 4, 1996 through October 1, 1997 will have their names put into a hat and, at Red Men's Day at Arlington in 1997, names will be drawn for three valuable prizes.

The success of a membership contest depends entirely on the members making it happen. The more effort we put into it, the greater our Order will become, a goal we all desire.

Fraternally yours in F., F., & C.,

George Smith, Great Incohonee

INSTRUCTIONS & RULES

INSTRUCTIONS for filling in Request Form for the "STRIVE FOR FIVE" Medallion.

1. List Recipient's full Name and Address.
2. Give Tribe or Council Name, Number, Reservation and Great Reservation. **(We must have a correct address for shipping the Medallions.)**
3. List the Five new members with full names and addresses.
4. Designate if they are new member or a reinstatement.
5. Chief or Keeper of Records of the Tribe or Council will sign at the bottom of the form and affix his/her seal.
6. Chief or Keeper of Records will make two (2) copies and retain original for his/her records. Send the two (2) copies to the Great Chief/Keeper of Records who will also attest to the report and affix his/her seal.
7. The Great Chief/Keeper of Records will retain one copy for his/her records. Send one (1) copy to the Great Chief of Records, Robert E. Davis, PGI, 4521 Speight Ave., Waco, TX 76711-1708.

GUIDELINES that will govern and control who will be acceptable as a new member or a reinstated member are as follows:

1. A new member is a Pocahontas or Red Man who has never belonged to the Degree of Pocahontas or Improved Order of Red Men.
2. A reinstated member is a member who had belonged to the Degree of Pocahontas or Improved Order of Red Men at some time previously and has now been reinstated as a member of the Order. NOTE: He or She must have been a non-member of the Order for at least Six (6) Moons previous to being reinstated to be accepted on the REQUEST FORM.
3. A Tribe or a Council may submit a REQUEST FORM for a Medallion with the Tribe or Council being the recipient. (NOTE: It was brought to my attention that there were Tribes and Councils that probably would not try to get a Medallion as the size of a Tribe/Council and the area would not be conducive to attaining enough new members for an individual to hope to attain a Medallion. Therefore, in order to get everyone working for new members, I will give any Tribe or Council that attains Five New Members a Medallion.)
4. A DUAL-MEMBER of any Tribe or Council will not be accepted as a New Member or a Reinstated Member.
5. The Chief/Keeper of Records of each Tribe/Council along with the Great Chief/Keeper of Records of each Reservation is responsible for researching his membership files to ascertain that the names listed on the Request Form conform to these listed Guidelines.

RENAISSANCE 2000

Renaissance 2000 a program enacted by the Great Council of the United States in 1994 and to run to the year 2000 is now in its third year of operation. With volunteer ASSOCIATE MEMBERS in every Reservation we should be in high gear but as yet interest seems to have been lagging. However, recently things seem to be picking up. We are now enthused that the membership seems to be getting behind this program.

Our AWARDS PROGRAM is now in operation. Certificates of PARTICIPATION and APPRECIATION are now available through the ASSOCIATE MEMBER. The prestigious MERIT AWARD has been presented to twenty-one members of our Order from both branches. This award is the most coveted one that our Order can present. We have hundreds of Past Great Sachems and also hundreds of Past Great Pocahontases, but only twenty-one members can wear this award. It is an Olympic type of medallion, 2 1/2 inches across suspended from a thirty inch red, white and blue ribbon. To you who have received this award, wear it proudly along with the other jewels of your rank. Truly this is a medal of honor. It is not given lightly but only to those who have demonstrated outstanding achievements.

A few of our Reservations have not sent in any reports and although we know you are working on the program, we must have reports to evaluate the program and plan for future manuals or releases. Not only do we wish to hear from the ASSOCIATE MEMBER but from any interested member of our Order, both branches. We will be happy to hear from you and send you any information requested. Remember our motto TOTAL-ORGANIZATIONAL-TEAM-EFFORT. We must all work together to accomplish our goal by the year 2000.

One of the goals of RENAISSANCE 2000 is to adopt a LOGO for our Order, one that can be registered and used exclusively by us the same as all other fraternal orders. The EAGLE is favored over the INDIAN HEAD that is used by so many of our units.

All our Leaders are distressed at the continued loss in our membership. We seem to have an enemy among us. If we do, that ENEMY IS US. We are an autonomous body, making our own laws, developing our own programs, governed by no one but ourselves. So any problems we have must be ones created by our own selves or from within our own ranks.

Some reports received by the RENAISSANCE committee say that one of our problems is the lack of respect and decorum in our meetings where members are addressed simply as Bill or George and not dignified by the use of their title of Past Sachem or Past Pocahontas, and not even addressed as a Past Great. And also that the older and experienced members don't hesitate to openly and loudly criticize the newer members who might be presiding. Nothing will turn off a member more than to be openly called down for a minor mistake during the meeting. Take this to heart, encourage the newer members to hold a chieftaincy, then above all help them. Remember, to you who have presided, the new member is making a few mistakes just as surely as you did during your first leadership role. Make it a goal to restore DIGNITY AND DECORUM to all of your meetings. Make the new member PROUD to be affiliated with the Oldest American Fraternity in our land.

The program is headed by PGI Ed Keyser, Sr., 299 Scotts Manor Drive, Glen Burnie, MD 21061 and also PNP Fran Andrews, 8262 Ahearn Drive, Millersville, MD 21108. Any information can be obtained from them and also the NATIONAL OFFICE which can send you any information you might need.

The Great Incohonee George Smith, 1906 Winston Drive, Hagerstown, MD 21740, (toll-free 1-888-273-3636) can be reached anytime. The Great Incohonee, the National Office, and the Committee can do nothing without your help and cooperation. LET'S ALL WORK TOGETHER and revitalize our ORDER. WE were NUMBER ONE, so let's become NUMBER ONE once again.

MOLECULAR BASIS FOR LINK BETWEEN β-MYLOID AGGREGATION & NEUROTOXICITY

RG1-96-12

Molecular basis for Link Between β-Amyloid Aggregation and Neurotoxicity

Regina M. Murphy, Ph D.
University of Wisconsin
Madison, WI

β-Amyloid peptide (Aβ) is the major protein component of senile plaques, a defining feature of Alzheimer's disease. Aβ aggregates into long fibrils with a specific structure and conformation. Aβ is toxic to cultured nerve cells. Toxicity of Aβ may require that the peptide adopt specific aggregational and/or conformation states. The fundamental role that Aβ aggregation plays in Aβ mediated toxicity remains unknown, yet this information is crucial for the development of therapeutic strategies targeted at preventing Aβ toxicity.

In this project, the relationship between physical characteristics and biological toxicity of Aβ aggregates will be firmly established. Biological toxicity will be assessed by measuring mitochondrial function in PC-12 cells, a nerve-like cell line which can be maintained in culture indefinitely. Two specific hypotheses regarding the possible role of Aβ aggregation in mediating toxicity will be tested: 1) Fibrils serve as a "timed-release" source of small soluble fragments, which are toxic forms of Aβ and 2) Aggregation increases Aβ interaction with the plasma membrane, thereby increasing the local concentration of Aβ at the cell and/or disrupting membrane function.

Letters of Thanks

Thanks so much for all of your prayers and condolences at the passing of my beloved wife. I wish Kay were alive to see how many people came together. I really do miss her.

Manny (PGI Emanuel S. Brown)

I just want to express my thanks for the support of the protection of our flag by the Improved Order of Red Men. I recently read that the Red Men helped support the Citizens Flag Alliance. Hopefully, the new Congress will pass a law protecting our flag and allowing severe punishment to those who desecrate and insult the American flag. If enough organizations and individuals keep the pressure on. My grandfather, H. L. Allen, was a Red Man and was proud that his lodge supported the protection of our flag. Thank you again.

Sincerely,
Arnold H. Wilson, Bound Brook, NJ

Kickapoo Tribe Welcomes New Pocahontas Council

by Chief of Records, Kickapoo Tribe #237 Bud Walker

1997 has been a busy year for Kickapoo During the winter we remodeled our Wigwam We now have a new restroom and kitchen The one we had was barely adequate If we were going to share our facilities with our new Pocahontas Council, changes had to be made

Several ladies informed us they were interested in forming a new Council, and would we help them get started Knowing that New Jersey has not had a new Council in the last 30 or 40 years, we were thrilled to lend a hand. We agreed to help by providing a meeting place and whatever financial help they might require. With Kickapoo's support, the ladies commenced a recruiting drive They now have the required number to apply for a charter. If approved, the name of the new Council is to be Kickapoo Council #51. If all goes as planned, they hope to have their installation in early September of this year

With the help of the ladies, we held our second blueberry pancake breakfast It was a big success We raised three hundred dollars for the Alzheimer's fund In addition to raising the money, the breakfast has become a social event for our community, and provides the Red Men with a positive exposure Both the men and women received applications for membership from this breakfast

Two of our members are currently going through the chairs of the Great Council of New Jersey This has caused other members of our tribe to become interested in the state organization, instead of two attending this year s convention we will have four Many moons have passed since Kickapoo was active in the council It is a source of great pride to see a once proud old tribe like ours enjoying a rebirth and the membership once again interested in becoming active in supporting the Great Council of New Jersey

Happy Birthday

New Jersey Great Council D of P

Note on the seal, that the Great Council of New Jersey, Degree of Pocahontas is celebrating their 100th anniversary.

Congratulations!!!

Athabasca Tribe Working for the Order

Athabasca Tribe #251 of Catskill, NY hosted a Winter Break on February 1st. The tribe consists of approximately 13 members who put forth a lot of hard work in setting up this event which included a lunch at the wigwam and an evening dinner with cooking demonstrations by Wade Ross Hotten and three ladies who met at the Elks Club. After dinner they hosted the attendees for drinks and entertainment at their wigwam.

Previously there was an article published in *Red Men Magazine* to another tribe for the work done on this event. My apologies to Athabasca Tribe #251 for any distress this may have caused. I know a lot of hard work went into this event, credit should be given where it is due.
